## 2012 Aqua University Swim Lessons

### A Brief Overview of the Aqua University Program:

- Fee is \$40 per participant per session
- All instructors are trained lifeguards of the Hampden Twp. Pool
- These are group lessons so there could be as many as 10 individuals in one group-the number of instructors will be adjusted depending on how many students are enrolled. The ratio is 4 children to every instructor.
- Lessons are designed to teach your children basic swimming skills and focus on water safety

### IMPORTANT INFO. TO KNOW BEFORE SIGNING UP FOR AQUA UNIVERSITY

- ◆ You must be a current pool member to sign up for swim lessons.
- ◆ Children must be at least 3 years old to participate-if your child is younger, we can refer you to programs that start with children this young.
- ◆ If children resist getting in the water on the first day, they will be allowed 10 minutes to get into the water on the second day. If they refuse, they will be withdrawn from the program and you will receive a full refund, minus a \$5 administrative fee.
- ◆ Individuals will be placed in levels/groups according to swimming ability and skill.
- ◆ Please be specific in detailing your child's current swimming ability on registration form-this information is crucial to ensuring that they are placed in the correct level.
- ◆ **If the weather looks questionable, please call the pool at 737-4219 before you leave for lessons to listen to a pre-recorded message that will inform you of any cancellations. You can also check our Twitter page @HampdenTwpRec. The decision has to be made an hour prior to lessons.**
  - ◆ Certificates will be issued for all levels of achievement.
- ◆ Each child will only be permitted to register for one session until June 11, 2012.
  - ◆ No refunds are given if you fail to show up for a lesson. NO EXCEPTIONS!
